

## **EMPLOYMENT OPPORTUNITY WITH BANYAN GOLD: Geotech / Core Logger**

Banyan Gold Corp. ("Banyan") is a TSX Venture and OTC Markets mining company focused on advancing its AurMac Gold Project, near Mayo, Yukon adjacent to Victoria Gold's Eagle Gold Mine and with additional exploration projects in the Mayo area and Watson Lake. To learn more about Banyan, visit [www.banyangold.com](http://www.banyangold.com).

### **Job Description**

Banyan is looking to hire **Geotech/ Core loggers** to join our team at our AurMac Gold property located in Mayo, YT to help advance a variety of mineral exploration projects throughout the 2024 field season.

This position will be field based under the supervision of the Exploration Manager. The season will start in late May or early June. This is a full-time contract position with opportunities for career advancement in a growing company.

This is an exciting opportunity to be a part of our dynamic team focused on discovery with an extensive exploration portfolio and a track record of discovery.

### **Main Tasks and Responsibilities:**

- Core cutting and sampling of marked-up core
- Core grabbing and managing of core storage
- Sorting, bagging and tagging of drill core samples
- Labelling core boxes, determining RQD and core recovery
- Lifting up to 60 pounds
- Photographing drill core
- Interaction and communication with the geological team and drill contractors
- Assist geologists with marking up core for sampling, conducting geological mapping and sampling program
- Maintain a clean workstation throughout the day
- Other duties as assigned
- May be asked to do soil sampling or other exploration tasks

### **Qualifications and Experience:**

- Preference to B.Sc. degree or Mining Technology diploma in Mining Engineering or suitable technical skills
- Previous Geo-technical experience would be an asset
- Demonstrated ability to develop practical, safe and cost-effective solutions
- Excellent communication skills (oral, written, listening)
- Strong facilitation and presentation skills
- Ability to positively interact with co-workers and team members
- Ability to work with a diverse mix of cultures
- Standard first aid (asset)

- Must be physically fit to perform daily field work
- Proficiency with Microsoft office and geological software is an asset
- Possess a valid Class 5 driver's license and ability to drive large trucks with trailers

**Salary:** Based on experience

**Camp Based:** Transportation, room and board provided

**Shift:** 3 week rotation preferred, some flexibility in schedules.

**How to Apply:**

Please submit your resume with the email subject line "**Geotech**" to [info@banyangold.com](mailto:info@banyangold.com). Thank you to all applicants for your interest and effort in applying for this position. Only candidates selected for interviews will be contacted.
