

EMPLOYMENT OPPORTUNITY WITH BANYAN GOLD: Geologist/Core Logging

Banyan Gold Corp. ("Banyan") is a TSX Venture mining company focused on advancing its AurMac Gold Project, near Mayo, Yukon adjacent to the Keno Hill Silver District. To learn more about Banyan, visit www.banyangold.com.

Job Description

Banyan is looking to hire **Junior Geologist/Core Logger** at our AurMac Gold property located in Mayo, YT to join our team to help advance a variety of mineral exploration projects throughout the 2025 field season.

This position will be field based under the supervision of the Exploration Manager and is anticipated to begin in May 2025. The season is anticipated to run until approximately early December 2025 and resume in February 2026 for the 2026 field season.

This is an exciting opportunity to be a part of our dynamic team focused on discovery with an extensive exploration portfolio and a track record of discovery.

Main Tasks and Responsibilities:

- Geotechning, logging, sampling and photographing of core
- Data entry utilizing core logging software
- Collection and interpretation of geological data from exploration programs, including diamond drilling, field mapping, surface sampling, and re-logging
- Some core cutting may be required
- Maintain health, safety, and environmental standards
- Other duties as assigned

Qualifications and Experience:

- Some training in Geology/Exploration with a Bachelor's degree in Geology or Earth Science (1-5 years' experience in mineral exploration) preferred
- Standard first aid (asset)
- Proficiency with Microsoft office and geological software is an asset
- Strong organizational and time management skills
- Self-motivated and ability to work alone
- Strong analytical and problem-solving skills
- Ability to lift up to 50lbs repetitively
- Valid driver's license

Salary: \$325.00-\$375.00 per day based on experience

Camp Based: Transportation, room and board provided at no cost

Schedule: 3 Week on site rotations preferred, flexibility on schedule.

How to Apply:

Please submit your resume with the email subject line "**Junior Geologist/Core Logger**" to info@banyangold.com. Thank you to all applicants for your interest and effort in applying for this position. Only candidates selected for interviews will be contacted.
