

## **EMPLOYMENT OPPORTUNITY WITH BANYAN GOLD: Junior Geologist/Core Logger**

Banyan Gold Corp. (“Banyan”) is a TSX Venture mining company focused on advancing its AurMac Gold Project located in Mayo, Yukon adjacent to Victoria Gold's Eagle Gold Mine. To learn more about Banyan visit [www.banyangold.com](http://www.banyangold.com).

### **Job Description**

Banyan is seeking a **Junior Geologist/Core Logger** to join our team at our AurMac Gold property located in Mayo, YT. Reporting the Exploration Manager, the Junior Geologist/Core Logger will be responsible for providing geological support to the exploration team that will focus on logging exploration drill holes, spotting diamond drill holes, field mapping and sampling, core logging and sampling, and other assigned duties.

This position will be field based and is anticipated to begin immediately until approximately December 2023.

This is an exciting opportunity to be a part of our dynamic team focused on discovery with an extensive exploration portfolio and a track record of discovery.

### **Main Tasks and Responsibilities:**

- Logging and sampling of core, data entry from core logging
- Some core cutting may be required
- Core sampling
- Core photography
- Collection and interpretation of geological data from exploration programs, including diamond drilling, field mapping, surface sampling, and re-logging
- Maintain health, safety, and environmental standards
- Other responsibilities and duties as assigned

### **Qualifications and Experience:**

- Some training in Geology/Exploration with a Bachelor's degree in Geology or Earth Science (1-5 years' experience in mineral exploration) preferred
- Standard first aid (asset)
- Proficiency with Microsoft office and geological software is an asset
- Strong organizational and time management skills
- Self-motivated and ability to work alone
- Strong analytical and problem-solving skills
- Valid driver's license

**Salary:** \$325.00-\$375.00 based on experience

**Camp Based:** Transportation, room and board provided at no cost.

**Schedule:** 3 week on-site rotations preferred, flexibility on schedule.

**How to Apply:**

Please submit your resume with the email subject line “**Junior Geologist/Core Logger**” to [info@banyangold.com](mailto:info@banyangold.com). Thank you to all applicants for your interest and effort in applying for this position. Only candidates selected for interviews will be contacted.
